

# Burmese Community Events

Our Burmese community has been very involved in St. Joseph parish, helping with work days on the grounds, serving at Mass, volunteering at Superfest and more. There is a Burmese prayer group held in our Parish Center basement on Saturday evenings.

The pictures below are from the Mass with Bishop Paul Bradley to celebrate and honor the elevation by Pope Francis of Archbishop Charles Maung Bo as the first Cardinal from Burma, February 14, 2015. This was very important for our Burmese community and the whole parish was invited to celebrate at the 5 pm Mass and to enjoy a dinner after with many special dishes.
